2. The Reading Laboratory was moved into Wing D of [REDACTED] on 19 September. Some of the carpentry work which is needed for the efficient operation of the laboratory has not been completed, but by using some curtains from Wings A and B the staff has been able to arrange some temporary partitions. There are currently 75 students enrolled in the laboratory. Sixteen students from State Department will be taking the Reading Improvement Course beginning 29 September. This class will meet from three to four o'clock in the afternoon.
